THE SALE DATE WILL REMAIN THE SAME Wednesday, APRIL 1, 2020 at 12 PM CDT.** It will be a live sale with the bulls penned outside the sale facility for your appraisal. It will be a video only sale with the bulls and females not running through a conventional sale ring. The bulls are available for your viewing anytime at the Kansas Bull Development in Wamego, KS and you are more than welcome to view at your convenience. Videos are available for you your viewing at [kansasbulltest.com](http://kansasbulltest.com) and at [LiveAuctions.TV](http://LiveAuctions.TV)

If you are unable to attend the sale and buy bulls and females like you are accustomed we have other options in place.

1. You can log onto [LiveAuctions.TV](http://LiveAuctions.TV) and bid on the bulls and females like many of you are accustomed to. For those of you unable to view the bulls and females we are putting in a **buyer's sight unseen guarantee** which means if you buy a bull and have not seen the bull and do not like upon delivery you simply do not own the bull. We will work with you in every way possible in terms of getting the bulls delivered to you as there will be several trailers at the sale and we will expedite that process as quickly as possible. If you want to pick your purchases up in a few days yourself the livestock will be cared for just the same as they have been prior to the sale.

We apologize in advance for any inconvenience this presents to you in purchasing your bulls and females and hope we can accommodate you through this process and make it as seamless as possible.
